

# All the Ages

## Our Journey Through Stone Age to Iron Age!

Ruby is our history detective. She can't wait to explore prehistoric Britain, investigate places and discover how people lived thousands of years ago!

Every historian and geographer begins by asking questions about the past and the places people lived! Let's explore, investigate and discover together!

### A MIX OF HISTORY AND GEOGRAPHY

- ? We explore the past
- 📍 We investigate places
- 🕒 We use maps and fieldwork
- ? We ask questions
- 🔍 We find evidence
- ⌚ We explain change over time

### STONE AGE

Hunters, gatherers and amazing tools.

### BRONZE AGE

Farming, villages and new technologies.

### IRON AGE

Hillforts, tribes and the Celts.

### ARCHAEOLOGICAL EVIDENCE

Artefacts and remains help us understand the past.

### WE ARE HISTORY AND GEOGRAPHY EXPLORERS!

- ✓ We explore
- ✓ We investigate
- ✓ We ask questions
- ✓ We use maps
- ✓ We find evidence
- ✓ We learn from the past
- ✓ We understand change over time

### TIMELINE OF PREHISTORIC BRITAIN

**STONE AGE**  
before 3000 BC

**BRONZE AGE**  
3000 BC – 800 BC

**IRON AGE**  
800 BC – 43 AD

### GEOGRAPHY IN ACTION!

- ✓ We study physical features  
coast, rivers, hills, forests
- ✓ We explore human features  
settlements, hillforts, farming, trade
- ✓ We use maps, atlases and fieldwork

### KEY VOCABULARY

|                        |                                                   |                   |                                                          |
|------------------------|---------------------------------------------------|-------------------|----------------------------------------------------------|
| <b>prehistoric</b>     | before written records                            | <b>Stone Age</b>  | earliest time period in prehistoric Britain              |
