Kings Meadow Primary School
PSHE Curriculum Aims

At Kings Meadow PSHE education introduces pupils to some of the opportunities, challenges and responsibilities they will face growing up.

We believe that our PSHE curriculum actively promotes the moral, cultural, mental and physical development of pupils.

Through participating in PSHE lessons at Kings Meadow , pupils learn about boundaries, including understanding boundaries in friendships with peers and also in families and with others, in a range of contexts, including online.

Our aim is to foster pupil wellbeing and develop character and personal attributes that we believe are fundamental to pupils being happy, successful and productive.

Our PSHE curriculum teaches the children the importance of working within their local community and here at Kings Meadow we are proud of our community links.
