Kings Meadow Primary School RE Curriculum Aims

At Kings Meadow, Religious Education helps our young people develop beliefs and values, and promotes the virtues of respect and empathy, which are important in our diverse society.

For our children, Religious Education encourages empathy, generosity and compassion and develops a sense of awe, wonder and mystery.

Our Religious Education curriculum provokes challenging questions about the purpose and meaning of life, beliefs, the self and issues of right and wrong, commitment and belonging.

Religious Education fosters civilized debate and reasoned argument and helps pupils to understand the place of religion and belief in the modern world.,

Beginning with the children's own life experiences we provide an enquiry based approach to Religious Education, which challenges our children to learn about and from religion.
