

# EXTRACURRICULAR AND INCLUSION

*Everyone included. Everyone valued. Everyone celebrated.*

## Every Child Belongs

At Kings Meadow Primary School, we believe that every child should have the opportunity to participate, contribute and shine.

We are committed to removing barriers and creating opportunities for all children to enjoy school life.

### CLUBS AND ACTIVITIES

Children can access a wide range of opportunities including:

- After-school clubs
- Sports activities
- Creative clubs
- School performances
- Educational visits
- Special events

We make reasonable adjustments where needed to support participation.

### CHILDREN'S UNIVERSITY

We are proud to be part of Children's University.

Children can collect credits for learning both in and out of school and celebrate their achievements through graduation events.

This encourages curiosity, confidence and a love of learning.

### OPPORTUNITIES TO GET INVOLVED

Children can also participate in:

- School Council
- Leadership opportunities
- Performances and productions
- Sporting events
- Reading and learning activities
- Community projects

### INCLUSION FOR ALL

We promote:

- Respect
- Kindness
- Diversity
- Friendship
- Equality
- Belonging

Every child is encouraged to take part and feel valued.
