Dear Parent/Carer,

Kings Meadow are committed to providing the best possible pastoral care to our children and as such, we have signed up to be part of a new initiative from Merseyside Police. The project is called 'Operation Encompass' and involves greater collaboration between schools and the police to better support young victims of domestic abuse.

The scheme was successfully piloted in Knowsley and aims to support children following a domestic abuse incident. The initiative will commence across Merseyside on 6th October 2014. Merseyside Police have asked for schools' help in informing parents and carers about how Operation Encompass will work and how information will be shared.

Following a domestic abuse incident attended by Merseyside Police, at which children from our school were present, Merseyside Police will notify us early the next morning and prior to the start of the school day. Each school has a member of staff (key adult) who is trained to liaise with the police, when required, whilst ensuring support is available to the child. In our school we have two trained key adults, myself and Miss. O'Brien.

If you would like to discuss this initiative further or require additional information then please do not hesitate to contact us in school.

Yours sincerely,

Mrs. Sandie Lineton
