Our Golden Promises

At Kings Meadow we have a set of 'Golden Promises' that we expect all members of our school community to follow:

At Kings Meadow we promise to:

- **Be Kind**
- **Work Hard**
- **Always try our best**

These promises ensure everybody in our school community can succeed and be happy.

Values of our school (What we believe in)

We value **FRIENDSHIP**; we aim to be kind, caring and polite to all members of our school community and to accept and include everyone.
We value **RESPECT**; we aim to look after everyone and everything in our school. We aim to be honest and considerate to each other.
We value **ACHIEVEMENT**; we aim to become independent and confident learners who achieve our true potential.
We value **DETERMINATION**; we aim to work hard, never give up and always try our very best to achieve our goals and objectives.

The importance of good attendance and punctuality

Children have a right to a good education to help them fulfil their potential and to develop the skills required to access the world of work and other opportunities.

Good attendance is important because:

*Statistics show a direct link between under-achievement and poor attendance;
*Children who attend regularly make better progress, both socially and academically;
*Children who attend regularly find school routines and school work easier to cope with;
*Children who attend regularly find learning more satisfying;
*Children who attend regularly settle into High School more easily.
