

Dear Families,

This term, our learning will be about Under the Sea!

Here is an overview of some of the exciting learning opportunities your child will be involved in this term.

Communication & language

Children will be re-telling the story of Mr. Gumpy's Outing. They will be sequencing and re-enacting the story. Children will learn to articulate their thoughts and ideas in well-formed sentences and using new vocabulary.

Our focused Nursey Rhymes are:

Mary had a little lamb

5 Current Buns

Dingle, Dangle Scarecrow

The Grand Old Duke of York

5 Speckled Frogs

Mary, Mary Quite Contrary

Physical Development

Through writing, labelling, writing captions we develop the foundations of a handwriting style which is fast, accurate and efficient.

Keep practising letter formation!

Expressive Art & Design

Antony Gormley is our inspiration for this term. We will make our own sculptures using various materials.

Mathematics

Children will be expanding their knowledge of number system. They will be learning about shapes and their properties. They will be developing their mathematical language related to shape, position and number composition.

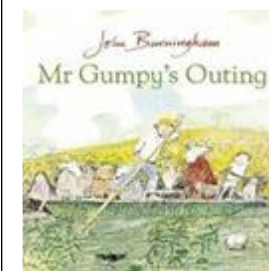

The World

We will be learning to draw information from a simple map. We will learn to care for our rivers and local area as we learn about fish and under water creatures.

People and communities

We will be learning to recognise that some similarities and differences between life in this country and life in other countries. Children will learn about how important boats are here and around the world and how they are used for different purposes.

Talk 4 Writing

Mr. Gumpy's Outing by John Burningham.

PSED

We will learn about patience, resilience and perseverance. They will consider and think about the perspectives of others. We will learn about how to be a good friend and what personal qualities we need to become a good friend to others.
