Celebrating Success

Super September

What a fantastic September it has been at Kings Meadow! We are so proud of how well the children have settled back into school life. They have shown great enthusiasm for their learning, excellent attitudes in class, and a real determination to do their best. It has been a joy to see their hard work shining through already this term.

We would also like to extend a huge thank you to our amazing parent volunteers. Our Reading Rocketeers have already started giving up their time to come into school and support children with their reading, your encouragement throughout this year will make such a difference.

We are also delighted to be launching our new Career Ambassadors initiative this term (see letter released last Tuesday). Thank you to all the parents and carers who have already applied to take part. By coming into school to share your careers, skills, and experiences, you are helping to inspire our children to think about their futures and explore the many possibilities that lie ahead. We are so grateful for your enthusiasm and willingness to support this exciting project.

Thank you once again for helping us make such a positive start to the year. With the continued support of our wonderful Kings Meadow community, we are looking forward to an exciting and successful term ahead!

Updated End of KS2 Results 2025

We are very proud to share with you the updated end of Key Stage 2 assessment results for Kings Meadow. Following two successful marking appeals in Reading, our results now show an increase in the number of children achieving Greater Depth, a fantastic achievement that reflects both the hard work of our pupils and the dedication of our staff team (see larger copy attached).

Percentage of Children Achieving Expected Standard and Higher Standard of Attainment

	Percentage of children reaching the Expected Standard 2025			Percentage of children reaching the Higher / Greater Depth Standard 2025		
	National	Sefton	Kings Meadow	National	Sefton	Kings Meadow
Reading	75%	73%	89%	33%	29%	52%
Writing	72%	66%	89%	12%	7%	11%
GPS*	72%	72%	89%	29%	20%	44%
Maths	74%	72%	81%	26%	26%	30%

*GPS - Grammar, Punctuation & Spelling

Percentage of Children Achieving Expected Standard in Reading, Writing & Maths Combined

	Percentage of children reaching the Expected Standard 2025			Percentage of children reaching the Higher / Greater Depth Standard 2025		
	National	Sefton	Kings Meadow	National	Sefton	Kings Meadow
Combined (RWM)	62%	55%	81%	8%	4.5%	11%

When compared with National & Sefton averages, Kings Meadow continues to perform very strongly across all areas. Our outstanding results show that children are not only meeting the expected standards but are excelling. Our combined RWM results place us in the top 8% of all primary schools nationally and in the top 5 primary schools in Sefton. These outcomes are a credit to the commitment and determination of our Year 6 pupils, the excellent teaching and care they have received throughout their time at Kings Meadow, and the support of our parents and carers. We are thrilled that their efforts have been rightly recognised and celebrated.

A huge well done to our pupils who are busy settling into high school - you have made us all extremely proud!

Introducing Our School Councillors 2025-2026

After another hard-fought election campaign, we are delighted to announce the pupils who will be representing their classes on the School Council this year.

Congratulations to: Faye Royle, Mason Webster, Winnie Efionayi, Se Smith, Zeynep Basanmay, Milo House, Joseph McAleny, Hattie Turner, Mirabel House & Jack Goudie.

We are so proud of all the children who put themselves forward and shared their manifestos with such confidence. Our new councillors will play an important role in helping to make Kings Meadow an even better place to learn and grow, and we are excited for another successful year of school improvement together.

The School Council's first project will be collecting and donating food collected in school to our local food bank. This is a wonderful opportunity for our pupils to make a positive difference in the wider community, and we are proud of their commitment to helping others. Please donate.

Pupil Progress Meetings for Parents & Carers

Our Autumn pupil progress meetings for parents and carers will be taking place on Wednesday 22nd & Thursday 23rd October (3.30-6.00pm). Hard copy letters will be released on Thursday 2nd October with booking information. Appointments are available in person or via a phone call. Please save the dates and take this important opportunity to meet your child's class teacher and learn how your child is settling into their new year group.
