CHET Residential Holiday 2025

Last week, from 8th-10th October, all of our Year 5 and Year 6 children had an unforgettable residential trip to Crosby Hall Educational Trust (CHET). Over three action-packed days, the children took part in a wide variety of adventurous activities, including climbing, zip wire, archery, crate stacking, Kurling, an archaeology dig, the assault course, and a night-time estate walk!

The children were truly amazing throughout the trip, showing resilience, determination, and a brilliant 'can do' attitude. Many of the activities challenged them to step out of their comfort zones, testing themselves physically and mentally, while developing important life skills such as teamwork, problem-solving, and independence. From climbing to crate-stacking, each activity gave them the chance to grow in confidence and self-belief.

Staff at CHET were full of praise for the children's exemplary behaviour, positive attitude, and exceptional manners. Our pupils embraced every challenge with enthusiasm and supported each other, demonstrating kindness, resilience, and maturity beyond their years. It was wonderful to see them learning to take risks safely, make decisions for themselves, and celebrate their achievements together.

A huge thank you to Mr. Currie for organising such a memorable experience, and to Ms. Bee, Mrs. Doran, Mrs. Pearson, Miss Adkins, Mrs. Roberts, and Mrs. Anderson for supporting and helping the trip run so smoothly. We would also like to thank parents and carers for your support in helping the children prepare for the trip, your encouragement and preparation made a real difference to their confidence and enjoyment.

The children had a fantastic time making memories, trying new experiences, and pushing themselves in so many ways. Photographs from the trip will be available shortly in the Gallery (Children's section) on our website: www.kingsmeadowprimary.co.uk. They really were a pleasure to take away. Mrs. Lineton 😊
