

KINGS MEADOW PRIMARY SCHOOL & FAMILY WELLBEING CENTRE

No. 7: Autumn Term 2025
Friday 19th December 2025

----- *Celebrating Success* -----

Christmas News Round-Up

As we reach the end of a very busy few weeks, we would like to thank the whole school community for your support of our Christmas shows this year. All of the performances were very positively received. Film links of the dress performances will be shared with parents / carers via ParentMail emails later today, please look out for them. Please also check out our Instagram account [kingsmeadow_primary](#) for a round-up of all of the many activities that have taken place this December.

Thanks also to the PTA for their organisation of our many Christmas events and raffles this year. They began with Santa's Grotto at the start of December and ended on Tuesday with Breakfast with Santa and the Christmas Fair. Thanks to your generosity, we have raised over £2021.49 for school funds which is a remarkable achievement. All funds will go towards replacing our Mississippi trim trail in the rear playground, so thank you for your generosity.

Special thanks go to our PTA volunteers and the many staff members who plan, organise and support these events. The children of Kings Meadow have so many opportunities because of your kindness - thank you all.

Finally, today marks our final day of this term. On behalf of all of the staff and governors of Kings Meadow we would like to take this opportunity to send you our best wishes for a very Merry Christmas and a Happy New Year.

Celebrating Our KS2 SATs League Table Results

We are delighted to share that following the release of last week's KS2 SATs league tables, our school is ranked as the **top performing primary school in Southport** and the **fourth highest performing primary school in Sefton**.

This is a fantastic achievement and one of which our whole school community should be justly proud. It reflects the hard work and dedication of our pupils, the commitment and expertise of our staff, and the continued support of our parents and carers.

Well done to everyone involved with Kings Meadow - this success is reflected in our amazing children and truly belongs to us all, and we look forward to building on it in the future.

Cinderella Pantomime

Advanced notice that on the afternoon of **Wednesday 7th January** we will be welcoming M&M Productions back to Kings Meadow to perform their current pantomime, **Cinderella**, for the children from Reception - Year 6.

Over the years, these professional pantomimes have never ceased to impress us and we can't wait to see their adaptation of this fabulous story.

Lego Magic

If you are still considering last minute Christmas presents, perhaps put Lego on the list!

This half-term we have run a special KS2 'Kids with Bricks' LEGO Club which is part of a national project to connect children who adore construction. The theme this half-term has been animals and our children have excelled in creating all kinds of fabulous creatures. Many thanks to Mrs. Moir for running the club so passionately.

A new LEGO Club begins in January but amazingly, this is already full! More will follow in Spring 2 so watch this space. Well done everyone!

Christmas Card Competition Runner-Up

Huge congratulations to Maia in Year 4 whose design for Bill Esterson's Christmas Card Competition was nominated as a runner-up. Children from all over Sefton entered and we are delighted that Maia was one of only 6 runners' up to have their design on the back of the card. In this morning's assembly I presented Maia with a special certificate from Bill Esterson and a copy of the card for her to keep. It is wonderful to see so many of our talented artists gaining recognition across Sefton. We are incredible proud of you Maia. Well done!

Children's Giant Teddy Raffle Winners

In assembly this morning we picked the winners of our Children's Christmas Raffle. Pictured with their new cuddly friends are the lucky winners, Harley (Y4), Holly (Y6) and Alexander (Y4). Thank you to everyone who entered the raffle. Through your generosity we were able to raise a further £72.00 towards our new playground trim trail.

Advent Attendance Challenge -a Fantastic Festive Success!

Since the start of December, our children have been taking part in our **15-Day Advent Attendance Challenge**, aiming to be in school every day for a 15-day streak. We are absolutely delighted to share that 114 children rose to the challenge and achieved 100% attendance throughout December - an incredible achievement that deserves huge celebration!

This morning, our very own **Attendance Avengers** made special visits to all of the successful children to congratulate them and present them with a well-earned Christmas reward. The excitement and pride on their faces said it all! Moments like these really show how positive attendance can be celebrated and made fun.

A heartfelt thank you to all parents and carers for your continued support with attendance. This has been **our most successful Autumn term ever**, and it truly makes a difference. Our children are thriving because they are in school every day, not missing essential learning, building routines, strengthening friendships, and growing in confidence. Together, we are setting them up for success - and what a wonderful way to finish the term!

Diary Dates

Important dates for the term ahead:

- Friday 19th December - School closes for Christmas break (**1.30pm finish**)
- Tuesday 6th January - School reopens for Spring Term 1 (Normal time)
- Wednesday 7th January - Cinderella Pantomime (M&M Productions)
- Wednesday 11th February - PTA Valentine Disco (3.30-5.00pm)
- Friday 13th February - Love My Community Day (Info. to follow)
- Friday 13th February - School closes for half-term break
- Monday 23rd February - School reopens for Spring Term 2

Kings Meadow Primary School is committed to the **safeguarding** of all **children** and will follow all Local Authority procedures and inform Children's Services of any concerns as necessary.
