

# KINGS MEADOW PRIMARY SCHOOL & FAMILY WELLBEING CENTRE

No. 1: Spring Term 2026  
Monday 2<sup>nd</sup> February 2026

*Celebrating Success*

## Schools Pledge for a Healthier & More Active Future

On Friday 23 January, with the help of our School Council, we proudly launched our **Schools Pledge for a Healthier and More Active Future**. This marks the beginning of a journey to improve health and wellbeing outcomes across our entire school community.

Over the coming weeks, our staff will be working together to develop action plans and identify projects that will support this important commitment.

We are also excited to announce a community '**Marketplace**' event in the school hall on **Wednesday 25 March** from **2.30pm to 3.45pm**. This event will bring together pupils, families, staff, and many of our health and wellbeing partners. Visitors will have the opportunity to see first-hand the support available and learn how these agencies contribute to promoting healthier, more active lifestyles. Please save the date and come along with your families to see all of the amazing work going on at Kings Meadow.

## Bill Esterson (MP) Visit to Kings Meadow

On Friday 16 January, we were delighted to welcome our local MP, **Bill Esterson**, into school.

During his visit, Bill toured our school and met with our School Council. Our pupils had the opportunity to share their experiences and ask thoughtful questions, and Mr. Esterson showed a genuine interest in their ideas and achievements. He also offered practical support to help the school moving forward.

It was a valuable visit that strengthened our relationship with our local MP and supported the ongoing development of the school. On behalf of Kings Meadow, thank you Bill for your time and interest in our Kings Meadow community, it was most appreciated.

## The Jungle Book

Advanced notice that on the afternoon of **Wednesday 11<sup>th</sup> March** we will be welcoming M&M Productions back to Kings Meadow to perform their version of **The Jungle Book**, for the children from Reception - Year 6.

Over the years, M&M Productions' shows have never ceased to impress us and we can't wait to see their adaptation of this fabulous story.

## After-School Club Updates

Due to popular demand, next half-term we are running another KS2 'Kids with Bricks' LEGO Club which is part of a national project to connect children who adore construction. Details will be released today in hard copy and via ParentMail. Many thanks to Mrs. Moir for running the club.

Information will also be released today about a new Art Club that Mrs. Doran will be running on Tuesday's (3.25-4.25pm).
